

Tulumba, Lokma & Bagel Machine

Overview

- **Versatile Dough Pouring:** The machine is designed to efficiently pour dough, enabling the preparation of popular Turkish desserts such as tulumba, lokma, and saray lokma.
- **Multi-Bath Configuration:** Featuring four baths, this machine facilitates a seamless process for moving the freshly fried delicacies. Each bath serves a distinct purpose in the dessert-making process.
- **Central Cooking Pot:** With a spacious 70 cm diameter, the central cooking pot at the heart of the four baths ensures an even and thorough cooking experience.
- **Precision Dough Pouring Head:** The machine is equipped with a precision dough pouring head that pumps the dough into the fryer pot, creating desserts with the desired shapes and consistency.
- **Effortless Sweetening Process:** After frying, the freshly made treats can be smoothly transitioned into the syrup bath, enhancing their flavor and sweetness.
- **Convenient Operation:** The Sweet Syrupy Fried Cake Machine streamlines the dessert-making process, providing a convenient and efficient solution for producing delectable Turkish sweets.
- **Quality and Reliability:** Crafted for reliability, this machine combines quality construction with precision engineering to ensure consistent and delicious results.
